## Bi-Colour Sand Stitch Dish Cloth 8" X 8"

### Materials:

- 2 colours (A & B) of Aran weight 100% **cotton** yarn - approximately 50 yards of each colour
- US size 5 needles
- Darning needle for weaving in the ends

*The amount of yarn used for this pattern is only estimated. Multiple projects have been created from larger balls of yarn therefore making it difficult to be exact. It's recommended you start each project with more yarn than what the pattern calls for.*

Directions:

Cast on 49 stitches using **colour A**.

**Do not cut your yarn at the end of the rows. Carry it up the sides as you work.**

Row 1 – knit every stitch with colour A

Row 2 – knit every stitch with colour A

Row 3 – using **colour B**, knit 1, \*slip 1 purl wise, knit 1\* repeat from \* to \* across row

Row 4 – using **colour B**, knit 1, \*yarn forward, slip 1 purl wise, yarn back, knit 1\* repeat from \* to \* across the row

Repeat rows 1 - 4 above until your piece measures 8” in *total* ending on Row 3.

Cast off in pattern *on row 4* then weave in your ends.

*It's recommended you wash your dish cloth before the first use as this makes it more absorbent.*
