## Garter Stitch Infinity Scarf

### Materials:

Approx. 600 yards of DK yarn (*main colour of scarf*) – use 2 balls of 300 yards or more as this pattern is double knit (using 2 strands of yarn at one time)

Approx. 100 yards of DK yarn (*band colour*) – use 2 balls of approx. 50 yards to stay with the double knitting

Size 9 US needles

Darning needle for sewing up the seam

Directions:

Cast on 40 stitches starting with your main scarf colour.

Begin knitting using the garter stitch (knit every row).

Knit until your piece is 15” long then change the yarn for your band colour on the same side as your cast on “tail”.

Continue knitting with your band colour until your band is 6 ½” then switch back to your main scarf colour. Again, changing your colour on the same side as your cast on “tail”.

Continue knitting until the piece is 60” long in total.

Cast off in pattern and sew up your seam.
